To: ALL UNIT PERHUBUNGAN AWAM <allpro@selayanghospital.gov.my>;

Dear health care workers from Hospital Selayang,

In conjunction with World Kindness Day 2020, the Leo Club of Assunta Secondary School, Petaling Jaya would like to muster our biggest gratitude towards the front liners who have worked blood, sweat and tears to save lives that are infected by the Covid-19 virus.

Even though it is not an easy task, we hope that the light at the end of the tunnel is still in sight. Our club has also been making an effort to spread the importance of following the standard operating procedure to decrease Covid-19 victims.

Last but not least, here are some words of encouragement that will uplift all the nurses and doctors in their darkest times; "any difficulties and struggles faced will always be put to rest by constant striving and a positive mind!! :D"

Thank you for facing this pandemic by risking the safety of yourselves to tend to those who are in need of care during this ill-fated times. You are our hero!

Sincerely,
The LEO Club of Assunta Secondary School.
