

Free bus service in Selayang

THE STATE government's free bus service has been extended to Selayang

Selayang Municipal Council (MPS) president Suliman Abd Rahman said the Selangor Smart Bus service would have one route. In Selayang, residents can also look forward to the free bus service from May 1.

The service will start from Selayang Stadium in Bandar Baru Selayang, proceed to the Gombak police station, Hospital Selayang, Selayang Baru, Batu Caves, Greenwood, International Islamic University Malaysia and end at Putra Terminal, Gombak, travelling a distance of 30km.

"We have proposed to have four buses with a 30-minute interval between journeys," said Suliman during the MPS full board meeting yesterday.

When asked how MPS would ensure only locals benefitted, he said they were looking into the possibility of asking passengers to show their MyKad.
